Meeting called to order at 5:15 pm.

New Requirements for Proof of Vaccination were set out by the Government of Saskatchewan.

A letter arrived from Living Skies Regional Council clarifying requirements for places of worship, Executive members feel our church is covering all of these requirements. AA groups and the garage sale are exempt from asking their participants for proof of vaccination. The square dancers, who book space from the church, already ask their members for proof of vaccination.

Motion: Ron Toles/Sharon Veer

“That a letter be sent to all of the groups which rent space from the church informing them of the need to follow provincial govt guidelines regarding Covid-19.” Carried.

Meeting adjourned at 5:27 p.m.
